Rock Solid Images (AIM: RSI)

Award of Reservoir Characterization Projects with a combined total of \$0.8 million

RSI (AIM:RSI), announced today that it has been awarded two reservoir characterization projects from existing clients with a total combined value of approximately \$0.8 million. Both projects will start immediately and are expected to complete within approximately 3 months.

Richard Cooper, CEO of RSI stated: "It's gratifying to see yet more repeat business from two long established clients of RSI. One project is from Central America, and the other from West Africa. Both projects involve careful processing and integration of seismic and well data, optimally combined to provide a valuable pre-drill de-risking tool."
