RSI Appoints Dr. Anthony Greer Chief Operating Officer

RSI is pleased to announce the appointment of Dr. Anthony Greer to the role of Chief Operating Officer. Anthony has over 10 years of experience of geophysical services with roles ranging from technical services to business development and executive management.

Richard Cooper, RSI's CEO commented: "We're delighted to welcome Anthony to the management team of RSI. Anthony's extensive technical and commercial experience is a perfect match for RSI's needs as we grow both geographically and through new business models."

More information on RSI can be found at www.rocksolidimages.com

ABOUT [RSI](http://www.rocksolidimages.com):

RSI is an independent geoscience consulting firm offering quantitative reservoir characterization with the goal of reducing exploration drilling risk and optimizing reservoir appraisal and development plans. The Company is an industry leader in the interpretation and integration of seismic data with well log, CSEM and MT data, and uses advanced rock physics methods combined with sophisticated geologic models to deliver robust and reliable predictions of reservoir geometries and properties to our customers.
